Directions to Wayland Town Offices (7:00 pm):

The Town Building is near and just south of the intersection of Routes 20, 27, and 126. From Rte 20, turn south onto rte 126/27 and then an almost immediate right to the Town Office's access road. From Rte 27/126, take left immediately before Rte 20 if coming from the south or right just after crossing Rte 20 if coming from the north onto the Town Office's access road. There is plenty of parking behind the building. We will likely be meeting in the Selectman's room.
